Dear Donna,

Thanks for your letter. I'm happy to hear that you had a nice Mother's Day.

I received my second-semester report last month. I got good grades for Geography, Physics, and Math, but my History and English results were not very good. My former teacher told me that I should improve English and History. I am spending more time on them this summer. And I hope I'll be better at the two subjects next year.

The Mid-Autumn Festival will come in a few weeks. That's the Moon Festival in Viet Nam. I'm going to Ha Long Bay with my aunt and uncle by bus this afternoon. I'll send you a postcard from there.

Write to me as soon as possible. I'm looking forward to hearing from you.

Fondest wishes,

Lan
