**SUGGESTION**

**You:** Congratulation! Thu. How wonderful you are!

**Thu:** Thanks.

**You:** I think you should take the scholarship to the Brighton Language Center. It's the best way to learn English there.

**Thu:** I don't understand.

**You:** If we go to study English in England, we can study the traditional standard English and we can learn the English culture, too.

**Thu:** I agree. What do you think about the language center in Brighton?

**You:** The center in that school has its excellent reputation.

**Thu:** I think so, too. Where do you think I should live?

**You:** I think you should live on the campus, because we can have many good chances to practice speaking English. Moreover, it's much cheaper than you live in an apartment.

**Thu:** Good idea!

**You:** And how long will the course last?

**Thu:** Six weeks.

**You:** I think it's long enough for you to improve your English.

**Thu:** But the tuition is very expensive! I think I should go to Brisbane Institute of English in Australia. The tuition there is much lower.

**You:** You may be right.
