EXERCISE FOR UNIT 15

Bài 1: Đọc kỹ đoạn văn sau đó viết TRUE (T) hoặc FALSE (F) cho các khẳng định sau.

Millions of young people play video games. Some play them at home, others play them in arcades. The inventors of the games become very rich. Some of the inventors are as young as 14 or 15. These games are good fun, but players must be careful. They should not spend much time on their own because they like to play video games so much. One doctor advise that children should spend only a small part of their free time playing video games. They must take part in outdoor activities with their friends and develop their social skills.

- Nowadays, video games are very popular among young people.
 Most inventors of the game are teenagers.
 Playing video games too much can cause dizziness.
 Players sometimes like to play video games alone.
 The doctor advises children not to spend much time on video games.
