## III. Read, then decide whether the statements are True or False and choose the best answer.

**A.** There is only one disease called common: the common cold. We call it the common cold because every year millions of people catch it.

Everybody knows the symptoms: a runny nose, a slight fever, coughing and sneezing. It is very unpleasant, but nobody knows a cure.

At the drugstore, there are usually shelves with cold "cures". These medicines don't cure a cold, but they do relieve the symptoms. Whatever you do, your cold will last for a few days and then disappear.

How can you help prevent a cold? Eat well, exercise and you will be fit and healthy.

1. Every year millions of people catch the common cold, so we call it the common cold.
2. Sneezing isn't one of the symptoms of the common cold.
3. There is no cure for the common cold.
4. Whatever you do, your cold will last for a few weeks and then disappear.
5. The passage is mainly about "\_\_\_\_\_".

A. A medical check-up

C. A balanced diet

B. A sick note

D. The common cold

6. We can prevent a cold by eating well and doing \_\_\_\_\_.

A. homework

B. exercise

C. housework

D. aerobics

**B.** Thirty years ago in Viet Nam, very few people had TV sets. These TV owners were very popular. After dinner, their neighbors gathered both inside and outside their houses. **Some** watched through the windows.

All evening, they sat and watched the black and white programs. The older people might sleep a little and the children might play with their friends, but no one went home until the TV programs finished.

1. Thirty years ago, most people in Viet Nam had TV sets.
2. The people with TVs were popular.
3. After dinner, their neighbors gathered both inside and outside their houses and watched TV.
4. The children might sleep a little and the older people might play with their friends.
5. The word "**Some**" in the passage refers to \_\_\_\_\_.

A. Some TV programs

C. Some neighbors

B. Some owners

D. Some houses

6. Their neighbors would \_\_\_\_\_ until the TV programs finished.

A. own      B. stay      C. perform      D. sleep

## IV. Choose the best item to complete the passage

**A.** Most of the world's surface is water. We may know the land very well, (25) \_\_\_\_\_ we know very little about the oceans.

Until recently, man could not stay underwater for long. A pearl (26) \_\_\_\_\_, for example, couldn't stay underwater for longer than two minutes. But now, with (27) \_\_\_\_\_ breathing equipment,

a diver can stay underwater (28) \_\_\_\_\_ a long time. After the invention of this equipment, man could (29) \_\_\_\_\_ freely underwater and (30) \_\_\_\_\_ became a popular sport.
