Dear Mike,

I am sorry you had a bad cold and could not come to my party yesterday. Your mother told me you were in bed all day. Are you feeling better now? It was a good party. Lots of my friends were there and they gave me some lovely gifts. I also received many flowers and cards.

David came early and brought with him an interesting friend from Paris - Peter. We ate and drank and sang and danced. We had a very good time. I'll tell you more about the party when you go to school on Monday. Remember to rest and drink much water and milk.

With love,

Jim
