## PHÒNG GD&ĐT CỬ CHI TRƯỜNG THCS TÂN AN HỘI

## ĐỀ KIỂM TRA 1 TIẾT LẦN 3 Môn: TIẾNG ANH-Lớp 6

Thời gian: 45 phút

| I. Choose the correct word         | l or phrase (A, B, C, D) tha | at best fits the space in | each sentances  |
|------------------------------------|------------------------------|---------------------------|-----------------|
| (3pts)                             | _                            |                           | _               |
| Chú ý: học sinh <b>chỉ ghi</b> mẫı | ı tự A, B, C hoặc D vào giấy | y làm bài                 |                 |
| 1. That girl hasli                 | ps.                          |                           |                 |
| A. heavy                           | B. fat                       | C. light                  | D. full         |
| 2. What color are her eyes?        |                              |                           |                 |
| A. brown                           | B. weak                      | C. small                  | D. big          |
| 3. Her sister has an               | B. weak face and long black  | •••••                     |                 |
| A. round / hairs                   | B. long / hairs              | C. oval / hair            | D. oval / hairs |
| 4. HowMai feel                     | ? She feels tired.           |                           |                 |
| A. do                              | B. does                      | C. is                     | D. are          |
| 5. Can I help you? Yes, I          | a box of chocolate           | <b>).</b>                 |                 |
| A. would like                      | B. please do                 | C. go                     | D. have         |
| 6. How eggs do                     | es Nam want?                 |                           |                 |
| A. much                            | B. many                      | C. grams                  | D. kilos        |
| 7. How many cans                   |                              |                           |                 |
| A. does-wants                      | B. does-want                 | C. do-want                | D. do-wants     |
| 8. I feel very hot. I want a c     | old                          |                           |                 |
| A. noodles                         | B. vegetables                | C. fish                   | D. drink        |
| 9. Miss Chi has                    |                              |                           |                 |
| A. hair long black                 | B. long black hair           | C. black long hair        | D. long hair    |
| black                              |                              |                           |                 |
| 10. How much rice do you           | need?                        | , please.                 |                 |
| A. Half a kilo                     | B. A kilo half               | C. A half kilo            | D. Half of kilo |
|                                    |                              |                           |                 |
| 11. A. no drinking wine            | C. no parking                |                           |                 |
| B. no smoking                      | D. no fire area              | 1                         |                 |
|                                    |                              |                           |                 |
|                                    |                              |                           |                 |
| 12. A. please be quiet             | B. keep silent please        |                           |                 |
| A. no talking                      | D. A,B, C                    |                           |                 |
| 71. no tarking                     | ۵. ۱ ب. ب                    |                           |                 |
|                                    |                              |                           |                 |
|                                    |                              |                           |                 |

II. Give the correct form or tense of the verbs in the brackets (1pt)
Chú ý: học sinh chỉ ghi từ điền vào chỗ trống vào giấy làm bài, không viết lại cả câu 13. Loan (have) .....black eyes.

14. Nam (be) .....in the school yard now.

| ()  |  |   |  |
|---|--|---|--|
| 16. WhatQuan a  | nd Hai (do)  | after school?   |  |
| III. Read the passage, t  | hen finish the tasks belo  | <u>ow</u> (1.5pts)  |  |
| Chú ý: học sinh <b>chỉ</b> ghi c  | câu trả lời vào giấy làm b   | ài, không ghi lại đề  |  |
| hair is long and black. He She is nice. She lives in t  | She is thirty three years<br>er eyes are big and brown<br>the city with her family. Ser is only three. Her hous                                      | n. Her nose is small. H<br>She has a son and a da   | Ier lips are red and full.<br>ughter. Her son is ten |
| A. Read and then write  | •  | c is sinall but very bea  | iumui.   |
| 17. Miss Lee is tall.   | Truc or ruise  |   |  |
| 18. Miss Lee's eyes are   | e big and brown.   |   |  |
