Recent studies show that more and more teenagers are turning to screen-based activities for relaxation. Almost every teenager watches TV. Many of them surf the web. **They** join social networking and play video games. Unlike outdoor activities, more screen time harms children. It makes their eyesight weaker. It does not improve their social skills. A child often prefers TV or computer games to physical exercise. They don't want to meet friends, either. Experts warn people of these harms, but parents do little to help their children.

A. Choose true or false:

- 17. Teenagers surf the web in their free time.
- 18. There has been an increase in the number of teenagers enjoying media use.
- 19. Teenagers like outdoor activities and physical exercise.
- 20. Experts have encouraged media use as relaxation among teenagers.

My name is Mark and my hobby is reading comics. I enjoy reading comics because the stories are easy to understand and entertaining. I don't have much free time, so I only read a few pages before I go to bed. Sometimes, I go to the bookstore near my house with my best friend, Leo, to buy new comics. I have a collection of comics in my bedroom. My sister, Katy doesn't like reading. Photography is her favorite hobby. She usually takes photos in our back garden or in the park opposite our house. She loves taking photos of birds and animals, but she doesn't often take photos of people. Last year, she won second prize at the county's annual photo contest. My brother Luis is interested in roller skating. He always goes roller skating in the park or in the town square with his friends on the weekends. He says it's a fun way to relax and lose weight. I think it's quite dangerous. Last week, Luis fell and hurt his knees badly.

III. Read the following letter. Decide if the statements from 17 to 20 are True or False, and choose the correct answers (A, B, C or D) for the questions 21 and 22. (1.5 pt)

Firstly, you should eat balanced meals. You should eat lots of fruit and vegetables because they are full of important vitamins. You shouldn't eat too much fatty food. Things like chips and burgers have a lot of fat. Also, be careful with sugar. If you eat a lot of sweet food, the sugar gives you energy for a short time, but afterwards you will feel more tired. Secondly, exercise should be part of your daily routine. Don't hurt yourself, start with gentle exercise. Exercise for at least 15 minutes every day. Or you can try a team sport or join a gym. Exercise can also be cycling instead of taking the bus, or using the stairs instead of the lift. Moreover, staying healthy requires enough sleep. It's sometimes OK to go to bed late; but if you stay up late too often, it will be bad for your health. Try to sleep eight hours every night. Lastly, every year, you should go to the doctor for regular check-ups. When you get fit and healthy, you will feel great.
